

Addendum to Upton Farmlands Request for Proposals
January 11, 2013

1. An additional 23 acres of grassland/waterfront property will be added to the original acreage in the Upton Farmlands RFP for planning purposes (yellow - see attached photo).
2. The successful proposal will explore the connectivity between Upton Farmlands and Provincial property (green - see attached photo).
3. The Upton Farmlands master plan is seen as a priority by the Government of PEI.
